RE: SUBMISSION OF ANNUAL RETURNS THROUGH ELECTRONIC REGULATORY SYSTEM

As you are aware, the introduction of the Electronic Regulatory System (ERS) in 2014 required that you submit the 2013 Annual Audited Returns both through the system and in hard copy.

We are pleased to note that the first submission through the system was successful. However, the system is still at the testing stage necessitating parallel submission through the system and a hard copy.

This is therefore to inform you that submissions for the 2014 Annual Audited Accounts and Returns shall be done through the ERS. However, you shall be required to file with this office a copy of your published financial statements and annual report.
